**Dr. W. H. Landers, Jr. M.D.**

W. H. Landers, M.D., practiced with Ellis County Bone and Joint from 1983 to 1985 and then entered private practice from 1985 to 2006. He then joined Covenant Medical Group in Lubbock, Texas, until 2009, when he moved his practice to Borger, Texas, in order to be closer to his children. He and his wife Cathy, have two children: Michael, a grad student at the University of Texas in Austin and Jennifer, a freshman at Mesa State College in Gran Junction, Colorado. His hobbies include golfing and following sports, including high school sports. "My goal, along with the hospital," he said "is to provide good quality orthopedic services which includes being timely, providing quality service in terms of medical care and being local so patients don't have to travel so far."

Dr. Landers does not perform back surgery.
