

VISITORS

Per the Governor's Coronavirus State Declaration, Golden Plains Community Hospital is limiting visitors. (Updated 8/5/2020)

If you have any of the following symptoms, have traveled outside of the United States or outside of Texas, please **DO NOT** enter the facility.

1. Coughing
2. Fever, Chills
3. Lack of taste or smell
4. Sore Throat
5. Aching Muscles and Fatigue
6. Nausea, Vomiting, Diarrhea

The only visitors allowed in the hospital will be:

- One parent with a minor
- One caregiver with a patient unable to communicate
- One support person for a delivering mother
- One translator for patients that do not speak English

Masking is required by all persons entering Golden Plains Community Hospital or its entities

Observe social distancing as much as possible. We thank you for your cooperation!

Absolutely no one 18 years of age and under will be allowed to visit!!
